4. Confirm sizing before checkout

Important Notes:

- DO NOT purchase jerseys until your player has been assigned a number by their director.
If you order the wrong number, you will be required to repurchase items in the designate number.

- Jerseys are slim fit. We strongly recommend trying items on in-store before ordering to ensure the best fit. Please take advantage of available in-store sizing support!
- Please review all items in your cart carefully before purchase, as items with jersey numbers cannot be exchanged.

Thank you for getting your orders in on time so our teams are ready to go!

Best,
